### **JEFFREY L. COHEN FORMS THE FLORIDA HEALTHCARE LAW FIRM - A NEW WAY OF PROVIDING LEGAL SERVICES TO HEALTHCARE CLIENTS**

DELRAY BEACH, FL (April 15, 2009) – **Jeffrey L. Cohen**, a board certified healthcare attorney with over 20 years of healthcare law experience, has proudly announced the opening of **The Florida Healthcare Law Firm**, a firm designed to empower the local healthcare and business community through a new way of providing legal and educational services.

With a level of competency, transparency, value and respect that is unique among firms, The Florida Healthcare Law Firm brings experience, knowledge and practical advice to a wide-range of health care related entities including physicians, medical staffs, medical societies, home health agencies, surgery and imaging centers and many others.

The firm's extensive list of services include managed care payment issues; denied claims management; conducting education seminars; medical staff matters; healthcare, physician and regulatory law matters (including anti-kickback, self-referral, fee splitting, fraud and abuse, corporate, anti-trust and recruitment); employment; and products and publications.

Inspired by the vision of creating a law firm that supports personal and societal transformation, Cohen founded The Florida Healthcare Law Firm based on a commitment to providing services in an environment based on strong principles in which we are accountable to each other. "I have found that combining personal and professional experiences is a powerful combination for lawyer and client alike. The result is an exchange of values that is inspiring and helpful to both. When services are rooted in immutable values like integrity, accountability and respect (and enjoyment!), we can be a vehicle that challenges and inspires our clients and those we come into contact with in a very unique way," says Cohen.

The Florida Healthcare Law Firm is located at 909 S.E. 5<sup>th</sup> Avenue, Suite 200 in Delray Beach. For more information, please call 888.455.7702 or visit [www.floridahealthcarelawfirm.com](http://www.floridahealthcarelawfirm.com).
